LIMITED 90 DAY WARRANTY

Putco guarantees its Stainless Steel and Aluminum products against defects in workmanship and material for as long as you own your vehicle. All painted products have a 90 day warranty on the painted surface. Any defects resulting from faulty material or workmanship will be warranted by Putco and repaired or replaced at our discretion. Putco assumes no extra labor costs. Damages caused by freight carriers, improper installation, misuse, collision, or neglect will not be warranted by Putco.

Tools Needed:
- 7/16" Wrench
- 5/32" Hex Key

Bumper Grille Installation

1. Open hood to gain access to the back side of the grille opening.

2. For 2014 models, the plastic insert will have to be removed to install the Putco grille. (Refer to Figure 1)
3. Align the two bottom tabs with the slots in the bumper. (Refer to Figure 2)

![Figure 2](image2)

4. Rotate the grille up into the bumper opening. (Refer to Figure 3)

![Figure 3](image3)

5. Align the top mounting tabs with the existing holes in the bumper. (Refer to Figure 4)

![Figure 4](image4)
6. With the head facing down, insert the Socket Button Head Bolt through the upper grille and the existing holes in the bumper. (Refer to Figure 5)

7. Secure the Socket Button Head Bolts with the provided washers and lock nuts. (Refer to Figure 6)

8. Continue onto wiring instructions if you purchased the lighted grille.
